

PHILIPPE LANDREAU, MD

Consultant Orthopaedic Surgeon
Knee, Shoulder and Sports Surgery
Dubai
United Arab Emirates

Citizenship: French
Married, Three children

Mobile: +971 503006021
Email: landreau@mac.com

EDUCATION

ORTHOPAEDIC SURGEON | Sports Traumatology, Knee and Shoulder Surgery

- 1977-1983: School of Medicine | **University of Angers, France**
 - 1983-1984: Resident in General Surgery | **University of Lariboisière, Paris**
 - 1984-1985: Resident in General Surgery | **Military Hospital, Metz, France**
 - 1985-1989: Resident in Orthopaedic Surgery | **University of Lariboisière, Paris**
 - 1989-1989: Doctors of Medicine | **University of Paris**
 - 1989-1990: Assistant Orthopaedic Surgery | **Beaujon University Hospital, Paris.**
 - 1990-1992: Assistant: Orthopaedic Surgery | **St Louis University Hospital, Paris.**
 - 1992-1992: Orthopaedic Surgeon | **Conseil de l'Ordre de Paris.**
-

CLINICAL PRACTICE

CURRENT:

- 2021 – present: **Consultant Orthopedic Surgeon** | Orthocure Sportsmed Clinic & Mediclinic Parkview - Dubai UAE
- 2019 – 2021: **Chief Medical Officer** | DXBone, Bone and Joint Excellence Center, Dubai - UAE
- 2019 – 2021: **Scientific Director of FIFA Medical Center** | Dubai - UAE
- 2010 – 2018: **Chief of Surgery** | Aspetar, Doha – Qatar
- 2018 – Present: **Assistant Professor of Clinical Orthopaedic Surgery** | Weill Cornell
- 2016 – 2018: **Head of the Sports Surgery Training Center** | Aspetar, Doha – Qatar

Aspetar's Sports Surgery Training Center (SSTC) is the first leading center of its kind in the region, creating a centre for sports surgery that will allow the sharing of surgical skills, hands-on experience via cadaveric workshops and knowledge not only regionally, but internationally.

TEAM SURGEON:

- 2010 – 2018: National Team Football – Qatar
- 2000 – 2010: Stade Français Rugby – France
- 2002 – 2010: French National Judo Team – France
- 2004 – 2010: French National Hand ball feminine Team – France
- 1998 – 2010: Football Flash Team (La Courneuve, Paris) – France

PREVIOUS:

- **Private Practice** | Private Hospital of Sport Medicine Paris V, 36 Boulevard St Marcel, 75005 Paris. The main Sport Private Hospital in Paris belonging to the «Generale de Santé» the most important group of private hospitals in Europe.
- **Public Practice** | Department of Orthopaedic Surgery, Pr Catonné, University Hospital of La Pitié-Salpêtrière, Paris. The French orthopaedic department specialized in Spine Surgery and Sport Traumatology. Head of the Arthroscopic Department.
- **American Hospital of Paris**, 63 Boulevard Victor Hugo, 92200 Neuilly-sur-Seine.
- **Co-founder of the «Medical Space Vauban»**, 2A, avenue de Ségur, 75007 Paris. A Parisian center of consultation dedicated to medical and surgical treatment of sport pathology, with a large team of sport physicians (from various sport teams) and surgeons in different specialties around the sport.

PROFESSIONAL MEMBERSHIPS

PRESENT MEMBERSHIPS & FOUNDATIONS:

- **Board of Directors member** | International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (**ISAKOS**)
- **Member of the Sports Medicine Committee** | International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (**ISAKOS**)
- **Member of the Publications Committee** | International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (**ISAKOS**)
- **Member of Organizing and Scientific Committee** | Emirates Orthopaedic Society
- **International Affiliate Member** of the American Academy of Orthopaedic Surgeons
- **Member of ICRS** (International Cartilage Repair Society).
- **Member** of the European Society of Sport Traumatology, Knee Surgery and Arthroscopy (**ESSKA**)
- **Member of the Editorial committee** | Maitrise Orthopedics Journal.

PAST MEMBERSHIPS AND APPOINTMENTS:

- **Past-Chairman of the Development Committee** | International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (**ISAKOS**)
- **Past-Treasurer of the Board** SOFCOT
- **Past-President** of the 2002 annual Congress of French Arthroscopic Society
- **Past-Vice-President** of the French Society of Sports Traumatology (SFTS). **Past-President** of the 2006 annual Congress
- **Past-Member of the Board** of the French Society of Orthopaedic and Traumatology (SOFCOT)
- **2008 – 2010 : Member of AOLF** (Association des Orthopédistes de Langue Française)
- **2006 – 2008:** President of the French Medical Committee / Générale de Santé
- **2007 – 2010:** Member of the National Executive Orthopaedic Committee of the «Generale de Santé»

HONORS AND AWARDS

- **Honorary Member** of the French Arthroscopic Society
- **Honorary Member** of the Lithuanian Arthroscopic Association

DIRECTOR OF DIPLOMAS - NATIONAL CREDENTIAL ARTHROSCOPIC SURGERY

- **2009:** University of Paris | Monitoring surgical performance. An application of industrial quality process control to anterior cruciate ligament reconstruction. D Biau.
- **2008:** University of Paris | Anatomic comparison of femoral position with three different guides for ACL double bundle reconstruction. M Ramanoudjame.
- **2005:** University of Paris | Anatomic risks of shoulder arthroscopy portals: anatomic cadaveric study of 12 portals. M Meyer.
- **2005:** University of Paris | Assessment of accessibility in ankle arthroscopy with different distraction systems. P Paillard.
- **2004:** University of Paris | Arthroscopic meniscectomy after 50 years old. M Thauinat.
- **2004:** University of Paris | Arthroscopic release after ACL reconstruction. B Ilharberorde.
- **2003:** University of Paris | Assessment of meniscal lesions in anterior cruciate ligament reconstruction: a serie of 156 consecutive patients. G Lorton.
- **2002:** University of Paris | Influence of fixation and rehabilitation in ACL reconstruction. B Sonnery-Cottet.
- **2002:** University of Paris | Femoral fixation of ACL hamstrings grafts. T Gregory.
- **2000:** University of Paris | Supra-spinatus ruptures. Healing assessment with Arthro-CT Scan. C Charouset.

EDUCATIONAL THESIS

- Thesis: Degree of Master of Science: **Kinesiophobia and Return to Play in Male Professional Athletes after Anterior Cruciate Ligament Reconstruction:** A Pilot study. Ekaterina Sandakova.
- Thesis: **26 April 1989: Dewar-Barrington procedure in acute and chronic acromio-clavicular dislocations treatment.** «L'intervention de Dewar et Barrington dans le traitement des luxations acromio-claviculaires récentes et anciennes».

EDITORIAL POSITIONS

- 2018 – present: **Director** | Books Sports and Traumatology series, Springer Verlag,
- 2002 - present: **Editor in Chief** | Index Orthopédie et Traumatologie du Sport,
- 2015 - present: **Member of the Scientific Committee** | Maitrise Orthopedique,
- 2007 – present: **Member of the Scientific Committee** | Interactive Surgery, Springer
- 2012 – 2019: **Associated Editor** | Aspetar Sports Medicine Journal,
- 2011 - present: **Reviewer, AJSM** | American Journal of Sports Medicine
- 2011 - present: **Reviewer, OJSM** | Orthopaedic Journal of Sports Medicine
- 2006 – present: **Reviewer, OTSR** | Orthopaedics & Traumatology: Surgery and Research.
- 2004 – 2007: **Editor in Chief** | Arthroscopic Issues of French Orthopaedic Society.
- 2001 – 2003: **Editor in Chief** of Perspectives on Arthroscopy, Springer Ed.

INTERNATIONAL LECTURES - (CME/CPD)

- **13th Biennial ISAKOS Congress. Global. 27-28 Nov 2021** | Lectures: Psychology of the Injured Athlete: from Coping to Addiction. Return to Sport Testing After ACL Reconstruction: Should We Be Doing It?
- **Philippine Orthopaedic Association 72nd Annual Congress**. 16-19 November 2021 Virtual Meeting. Lectures: Lateral extra-articular tenodesis: Why, When and How. Handball shoulder injuries; a throwing shoulder model.
- **9th Emirates International Congress**. Dubai. 4-6 November 2021. Lectures: Arthroscopic SAD & ACJ excision, technical tips and tricks options; Mini-open Latarjet procedure: surgical technique; Osteotomies in multiple ligament knee injuries.
- **IV International Conference on sport medicine and rehabilitation**. Actual issues of treatment and return to play process in pro sport. Moscow. Russia. 21-23 October 2021. Lecture: Lateral tenodesis and ALL reconstruction: Why, when and How?

- **41° SICOT Orthopaedic World Congress Congress.** Budapest. Hungary. 15-18 September 2021. Invited as speaker and symposium chairman.
- **6th International Biennial Congress of Iranian Society of Knee Surgery, Arthroscopy, and Sports Traumatology.** Virtual Congress. 13-14 May 2021. Invited speaker.
- **Complex Joint Injuries Management.** Dubai, UAE. 11-12 June 2021. Invited as speaker + cadaveric demonstrations. Organised by Emirates Orthopaedic Society.
- **9th Congress of Orthopaedic Society of Oman.** Muscat, Oman, 5-6 March 2020. Invited as speaker.
- **8th Emirates international Orthopaedic Congress.** Dubai, UAE. 27-29 February 2020. Speaker and Moderator.
- **Arab Health. 16th Orthopedics conference.** Dubai, UAE. 27-30 January 2020. Invited as speaker and moderator.
- **40° SICOT Orthopaedic World Congress.** Muscat, Oman. 4-7 December 2019. Free paper presentation: Anatomic study and reanalysis of the nomenclature of the anterolateral complex of the knee focusing on the distal iliotibial band: identification and description of the condylar strap.
- **6th International Meeting of Arthroscopy Academy. Mumbai. India. 26-27 July 2019 |** Faculty member. Live surgeries and lectures.
- **12th Biennial ISAKOS Congress. Cancun. Mexico. 12-16 May 2019 |** Lecture: Management of a First-Time Shoulder Dislocation; Symposium Chairman: Anterolateral Knee Instability: The ISAKOS Experience; Lecture: Latarjet mini-open procedure; Symposium Chairman: Symposium The Latarjet Procedure: Five Continents' Approach; Lecture: Return-to-Sport Testing After ACL Reconstruction: Should We Be Doing It? Considerations for Return to Sports: Qatari Experience
- **7th ICJR meeting. Dubai. 5 April 2019 |** Lectures: Meniscal root tears. Minimal Invasive approach for BTB harvesting.
- **7th Emirates Orthopaedic Society meeting. Dubai. 11-13 April 2019 |** Lecture: What decides my graft choice in ACL reconstruction.
- **National diploma of Football Pathology. Paris. France. 21-22 March 2019 |** Lectures on ACL reconstruction. Surgical options. Which graft? Which technique? **and** Osteochondral lesions of the knee: Treatment options and results.
- **International Congress. Medicine of Handball. Paris. 16-17 November 2018 |** Session moderator: Managing the return to sport.
- **17th Annual Conference of Indian Arthroscopic Society. Kadavu. India. 5-7 October 2018 |** Lectures: Treatment of Pectoralis Major tendon ruptures in athletes. BTB graft, is it still the gold standard?
- **National diploma of Football Pathology. Paris. France. 15-16 March 2018 |** Lectures on ACL reconstruction. Surgical options. Which graft? Which technique? **and** Osteochondral lesions of the knee: Treatment options and results.
- **French Arthroscopic Society Annual Congress. Marseille. 6-9 December 2017.** Invited lectures: The ALL is not alone in controlling the rotation. Replacement of the cartilage in the knee: current concepts.
- **4TH International meeting of arthroscopic academy Mumbai. 30th June- 1st July, 2017 | Advances in Arthroscopic Surgery.** Lectures and Live surgeries: Single row cuff repair; Revision cu repair – issues to be addressed; Rotator Cuff and Shoulder stability; BPTB ACL reconstruction; Ideal PCL reconstruction; Multi-ligament reconstruction; Isolated PCL injury- Management protocol; BPTB – ACL reconstruction- Is it still the gold standard? Au-

tologous and Allogenic Stem Cells for Chondral Defects of the Knee; ACL Reconstruction with Suspensory Devices; Arthroscopic Bankart with rotator cu repair; Rotator cu Single or Double row.

- **International Congress of Arthroscopy? ACCART 2017. Colombian society of arthroscopy. Cartagena of India. Colombia. 27-29 April 2017.** Lectures on: Biceps pathology. Tenotomy vs Tenodesis? **Philippe Landreau. MD.** Adhesive Capsulitis. Diagnosis and Treatment. **Philippe Landreau. MD.** Remplissage. When Bankart it is not enough. **Philippe Landreau. MD.** Latarjet. Open is a good option for our patients. **Philippe Landreau MD.** Neglected Posterior Shoulder Dislocation. **Philippe Landreau. MD**
- **International Congress. Medicine of handball. Official congress of the World championship 20-21 January 2017. Paris. Member of Scientific Committee.** Lecture: Are there shoulder lesions specific to handball players?
- Imaging Requirements of the Surgical ACL Reconstruction Patient. Podium presentation. 7th **Aspetar World Radiography Day Symposium.** 8th November 2017.
- **17° Journées Lyonnaises de chirurgie du genou. Anterior Cruciate Ligament. 22-24 Sep 2016.** Lecture/Conference: Return to play after ACL rupture
- 5th International Congress for Joint Reconstruction. **Dubai, UAE.** November 3-5, 2016. 6 lectures: Mini-Invasive Latarjet, Aspetar Experience; Management of Posterior Instability; Long head of biceps: Tenotomy or Tenodesis; Shoulder Stiffness: how to diagnose, how to treat; Lateral tenodesis: indications and techniques. Ask the experts. Chairman of one of the shoulder session.
- Co-Chairman of the six editions of Advanced Course on Knee Surgery **2006, 2008, 2010, 2012, 2014, 2016, and 2018, Val d'Isère, France.**
- New Opportunities in Orthopaedic Surgery for the GCC. 1st GCC-Aspetar Sports Medicine Conference. April 24th 2016. **Doha. Qatar.**
- Aspetar experience with knee biologic treatment. 4th Emirates International Orthopaedic Congress. April 21st-23rd, 2016. **Dubai, Emirates.**
- The extra-articular tenodesis: the French experience, Instructional lecture. What's new in Orthopaedic and Sports Medicine, Aspetar experience. 13th Meeting of the Combined Orthopaedic Associations (COMOC) April 11-15, 2016. **Cape Town, South Africa.**
- Return to Play after Shoulder Surgical Stabilization. Football Medicine Strategies. April 9th-11th 2016. **London, England.**
- Step by step approach in arthroscopic rotator cuff repair. Shoulder injuries in sports. Arthroscopic Bankart repair. How to optimize the outcomes. 9th International Poznan Course in Upper Extremity Surgery: Shoulder and Elbow. 1st Meeting of the Polish Shoulder and Elbow Society. **March 17th-19th 2016. Poznan. Poland.**
- Lateral Extra-articular Tenodesis. Is it safe and efficient to do it? Cartilage repair and its relation with ACL reconstruction. Challenge in Football Injuries. Aspetar/ISAKOS/FIFA Conference. **February 11th-12th 2016. Doha. Qatar. Co-Chairman of the Conference.**
- Shoulder injuries in handball. Shoulder rehabilitation for handball. European Handball Federation Scientific Conference 2015. **13TH -14TH November 2015. Bucharest, Romania.**
- **Indo European Arthroscopy Arthroplasty Association. 7th Annual Conference. 3-5 July 2015 Chennai, India.** Lectures and live surgeries: ALL reconstruction – How I do it; Multi-ligamentous Instability; Cases presentation.
- **MENA Orthopaedics Congress 29-31 October 2015 - Dubai, UAE.** Lecture: Advancements in Sports Medicine Surgery.

- Biceps pathology and managements. **3rd Emirates International Orthopedics Congress. 2nd May 2015.**
- Clinical cases session. Principles of ACL graft fixation. MPFL: Medial Patellofemoral Ligament: Anatomy and Biomechanics. Lateral Tenodesis in ACL reconstruction. Limits of multiple ACL revision. Lectures provided during the 6th Advanced Course on Knee Surgery **31st January-5th February 2016, Val d'Isère, France.** Co-Chairman of the Course.
- **Conference on New Sports Medicine Concepts in Handball.** Official congress of the World champion ship, **Doha 2015. 23-24 January 2015. Co-chairman.** Lectures: Shoulder injuries.
- **87th Japanese Orthopaedic Association JOA meeting Kobe Japan, 22nd to 25th, May 2014.** Lectures: Lateral Tenodesis combined with ACL reconstruction. Technique and indications. The Latarjet procedure in Anterior Shoulder Instability. Technique and indications
- Complications of meniscal surgery. Menisci lesion: are the clinical signs relevant? Osgood-Schlatter through the ages. Medial Knee approaches. Lectures provided during the **5th Advanced Course on Knee Surgery 2nd-7th February 2014, Val d'Isère, France.** Co-Chairman of the Course.
- Difficult Meniscectomy. Complications of Posterior Cruciate Ligament Reconstruction. Epidemiology and Natural History of Posterior Cruciate Ligament Rupture. Graft Selection in Chronic Multiligament Injuries. Breastroker's Knee. Fat Pad Syndrome. Lectures provided during the 4th Advanced Course on Knee Surgery 22nd-27th 2012, **Val d'Isère, France.** Co-Chairman of the Course.
- Technique of Posterior Cruciate Ligament Reconstruction. **P Landreau.** Instructional Course Lecture. **86th congress of French Orthopaedic Society. November 2011. Paris. France.**
- Anterior Cruciate Ligament Reconstruction and PRP. **P Landreau.** 4th Asian Football Confederation Sports Medicine Conference. **18-20 March 2011 Kuala Lumpur, Malaysia**
- ACL reconstruction in Aging Athlete. **P Landreau.** 6th EFOST Meeting. **25-27th November 2010. Brussels, Belgium.** Co-Chairman of the Congress.
- Massive rotator cuff tears, Posterior Instability of the shoulder. Instructional Courses and Live Surgery. Annual Congress of the Tunisian Society of Arthroscopic and Sports Traumatology. **September 2009. Tunisia.**
- Acromioclavicular lesions in Rugby players. **P Landreau.** Medical Congress of Rugby. **September 2009. Toulouse, France**
- Posterior Instability, Multidirectional Instability, Massive Cuff Tears, Shoulder Replacement in Young Patients: Instructional Courses and Live Surgery. **P Landreau.** Shoulder Course. **July 2009. Sao Paulo, Brasil**
- Rotator Cuff tears in young athletes. **P Landreau.** Symposium Shoulder problems in sports. 10th EFORT Congress. **June 2009. Vienna, Austria**
- EpauLe du sportif. XIV^e Congrès de la SOTUMER. **15-16 May 2009. Monastir, Tunisia.**
- Definition and measurement of knee instabilities - Alternatives to suture fixation in shoulder instability. EFOST congress. **November 2008. Antalya, Turkey**
- Live Surgery: Anterior Cruciate Ligament reconstruction. **P Landreau.** Knee Innovation Event. **October 2008. Berlin, Germany**
- Labral lesions without instability. **P Landreau:** Medical Congress of Volley Ball indoor and Beach Volley **June 2008, Paris, France**

- Arthroscopic repair of rotator cuff tears. Instructional course. AOLF congress. **May 2008. Marrakech, Morocco**
- Why to navigate ACL reconstruction? Instructional course. **P Landreau**. CAOS congress. **January 2008. Paris**
- Arthroscopic Repair of Rotator Cuff. **P Landreau**. Instructional Course. 44° Congreso Argentino de Ortopedia y Traumatología. **December 2007. Mar del Plata, Argentina**
- Arthroscopic release after anterior cruciate ligament reconstruction. Oral communication. **P. Landreau. 81° SOFCOT Congress. November 2007.**
- Arthroscopic repair of cuff tears. Multicentric retrospective study of 576 cases. Ph. Landreau, P.H. Flurin and SFA Communication **80th SOFCOT Congress November 2006.**
- Complications related to shoulder arthroscopic portals. **P Landreau**: Symposium in Upper Extremity Arthroscopy. 12th ESSKA Congress. **May 2006. Innsbruck, Austria**
- Symposium: Complications in Upper Extremity Arthroscopy. B Anjsman, R Arciero, **P Landreau**, A Miniaci, L Pederzini. ISAKOS Congress **April 2005. Hollywood, USA**
- Symposium: Arthroscopic repair of Rotator Cuff Tears National Congress SFA December 2004 | Symposium Director
- Symposium: Surgical or Arthroscopic treatment of anterior instability Ph. Landreau 24° journées caribéennes d'orthopédie February 2004
- Recovery and Rugby Moderator French congress of Rugby Lyon, January 2004
- Arthroscopic Supra-spinatus repair: Arthro-CT Scan Assessment of the healing, 2003 ISAKOS Congress, March 10-14, 2003. Auckland, New Zealand
- Shoulder Arthroscopy, Instructional Course Arthroscopic Course 2003. University of Paris, February 2003
- Symposium: Sport activity after ACL reconstruction National Congress French Society of Sport Traumatology, Symposium director, June 2002
- Supra-spinatus ruptures. Healing assessment with ArthroCT Scan Congress Sport et Appareil Locomoteur Bichat Paris - March 2002
- ACL Graft: Femoral and Tibial Fixation Knee Surgery Lyon January 2002. Co-organisation of Knee Course (Ph. Neyret, T. Ait SI Selmi, Ph. Landreau)
- Arthroscopic reconstruction of cuff tears. Ph. Landreau, Annual Congress of French Arthroscopic Society. December 2001. La Baule. Instructional Course
- Supra-spinatus ruptures. Healing assessment with Arthro CT Scan C. Charousset, P. Landreau, L. Bellaiche, P. Mas 76° SOFCOT November 2001. Paris
- Scientific President | Anterior Cruciate Surgery Day Course Mitek 3 February 2001 Issy les Moulineaux.
- Teaching (Member of Faculty) |Advanced Techniques in Arthroscopy of the Knee and Shoulder 20-21 janvier 2001. Orthopedic Learning Center, Chicago, USA
- Fractures on TKA Ph. Landreau. Knee Course: What's new in October 2000 Paris
- Evolution of TKA with important deformations. Ph. Landreau. Knee Course: What's new in October 2000, Paris.
- ACL reconstruction: Fixation in BTB and Hamstrings. Ph. Landreau. Course: The ACL reconstruction. September 2000, Bordeaux.
- ACL reconstruction, Dr Landreau, Dr Djian, Dr Laprell, Dr Bellier. June 2000. Paris, Knee ACL Course. Live Surgery.
- Knee Mitek Course, Knee ligament surgery, April 2000, St Denis La Réunion
- Associate Professor | Advanced Technologies in Knee and Shoulder Surgery, 16-18 April 2000, Vienne, Autriche

- ACL reconstruction, Dr Charles, Dr Landreau, March 2000, Lille, Knee ACL Course
- In charge of National Arthroscopic Teaching, January 2000, Hospital Ambroise Paré CHU Paris
- Mechanisms of ACL ruptures, Instructional Course, Ph. Landreau, 11° Journées de Traumatologie du Sport 23 October 1999 Saint Etienne
- Imaging and Classification of meniscal tears, L. Bellaïche, P. Landreau. 7th Imaging meeting, Espace Saint Martin, Paris, September 1999
- Associate Professor |Basic and Superior Arthroscopy Course, June 1999. Kaunas, Lithuania
- LCS mobile rotating platform: five to twelve years follow-up (Poster), P. Cartier, Ph. Landreau. 4th congress of the EFORT, Brussels, June 3-8, 1999
- LCS mobile rotating platform: five to twelve years follow-up, P. Cartier, Ph. Landreau.
- ISAKOS Congress, Washington DC, May 29-June 2, 1999
- Reproducibility of the femoral tunnel with the Shoot and Slide technique, P. Landreau. Annual Congress of the French Arthroscopic Society, Paris, December 1998
- ACL reconstruction with absorbable screws. P. Landreau, 73th annual congress of SOFCOT November 1998
- Clinical signs of Suscapularis rupture. P. Landreau, La lettre du rhumatologue n° 246, nov. 98: 14-15. The anterior cruciate ligament, Under the direction of P. Christel and P. Landreau. Index Communication 126 pages, October 1998
- Painful prosthetic knee P. Landreau, 3èmes Avancées thérapeutiques en Rhumatologie, Paris, September 1998.
- Total Knee Arthroplasty: Bone cuts P. Landreau, Depuy Knee Course, Paris, September 1998
- Evolution of TKA with varus deformity, P. Landreau, P. Cartier, Depuy Knee Course, Paris, September 1998
- Our experience of Rotatory TKA after 12 years, P. Cartier, P. Landreau. TKA congress, Smith Nephew, Paris, June 1998
- The mobile bearing arthroplasty, P. Cartier, P. Landreau. Maîtrise Orthopédique meeting: The Knee Arthroplasty, Paris, May 1998
- Results of LCS prosthesis (5 to 12 years FU), P. Landreau, P. Cartier, J.L. Sanouiller, F. Laude. 18° journées d'orthopédie de Fort de France, February 1998
- Results of LCS prosthesis (5 to 12 years FU), P. Cartier, P. Landreau, J. L. Sanouiller, F. Laude. 72° annual meeting of SOFCOT, November 1997
- European Clinical Results with the Phantom Absorbable Interference Screw
- P. Landreau. Fifth annual biomaterials & sports medicine forum (DePuy OrthoTech-DuPont Orthopadics), Hilton Head, South Carolina, USA, 3-4 October 1997
- Results of lateral unicompartmental prosthesis, P. Landreau, P. Cartier. Rev Chir Orthop 1996; (Suppl 1). Symposium: Knee unicompartmental arthroplasty: 30-32
- Technique of the lateral unicompartmental arthroplasty, P. Cartier, P. Landreau. Rev Chir Orthop 1996; (Suppl 1). Symposium: Knee unicompartmental arthroplasty: 44-45
- Treatment of acromio-clavicular lesions, P. Landreau, V. Favreau. Sport Med 1994, 62:69

LIVE SURGERY COURSES

CADAVERIC COURSE INSTRUCTOR

1. **Live Demos on Shoulder & Knee Arthroscopy during the Complex Joint Injuries Management Event**, Dubai, 11 – 12 June 2021. Supported by S&N Company.
2. **All Around the World Live Surgery Broadcast: Live surgery** | 7 November 2019. Dubai, UAE. Supported by S&N Company.
3. **Co-Director** | AANA Middle East Arthroscopy Master Course. 5-7 September 2019. Dubai. UAE
4. **Chairman** | Shoulder Arthroscopy Master Instructional Course 2-3 May 2019. London, UK. Supported by S&N Company.
5. **Faculty member** | Knee Arthroscopy Intermediate Instructional Course 4 April 2019. Dubai, UAE. Supported by S&N Company.
6. **Faculty member** | Shoulder Arthroscopy Advanced International Course 8-9 March 2019. Istanbul, Turkey. Supported by S&N Company.
7. **Faculty member** | Shoulder Master Course 22-23 October 2018. Andover, Boston, USA. Supported by S&N Company.
8. **Chairman** | Shoulder Arthroscopic Master Course. 9-10 December 2016. Sports Surgery Training Center. Aspetar. Doha. Qatar. Supported by S&N Company.
9. **Chairman** | Shoulder Arthroscopic Master Course. 9-10 December 2016. Sports Surgery Training Center. Aspetar. Doha. Qatar. Supported by S&N Company.
10. **Co-chairman** | Orthopaedic and Sports Medicine Master Class. ISAKOS Symposium and Workshop series. October 13-15, 2016. Doha. Qatar.
11. **MENA Shoulder Arthroscopy Course 19-20 Feb 2016**. Acibadem University, Istanbul. Chairman. Four lectures and cadaveric demonstrations. Supported by S&N Company.
12. **Faculty member** | Shoulder Arthroscopy Course - **Taiwan October 31st & Nov. 1st 2010**.
13. **Faculty member** | Shoulder Arthroscopy Course - **Taiwan Nov. 16th & 17th 2009**

DIDACTIC TEACHINGS

1. **Chairman and Faculty / Speaker at the Sports medicine festival**. 10-11 and 12 December 2021, Moscow, Russia. Supported by Smith & Nephew Company.
2. **Chairman and Faculty / Speaker at the Repair to Reconstruction International Expert Summit Shoulder Webinar, Online**, 2 October 2021. Invited as speaker. Supported by Smith & Nephew Company.
3. **“Repair to Reconstruction Expert Summit Webinar: ACL not an isolated injury - address all parts of injury”, Online / Virtual**, 11 September 2021. Invited as speaker. Supported by Smith & Nephew Company.
4. **“The anatomic rationale behind Single Tendon ACL Reconstruction using the UltraSTAR Technique”, Online / Remote**, 9 September 2021. Invited as speaker. Supported by Smith & Nephew Company.
5. **“Current Concepts and state-of-the-art treatment options for Soft Tissue Repair in the Shoulder”, Online / Remote**, 29 June 2021. Invited as speaker. Supported by Smith & Nephew Company.
6. **Virtual VSP for the Orthopaedic Team at Clinic El Hilal - Algeria**, DXBone, Bone and Joint Excellence Center, Dubai, United Arab Emirates. 25 June 2021. Supported by S&N Company.

7. **“Current Concepts and state-of-the-art treatment options for Soft Tissue Repair in the Shoulder”**, Online / Remote, 12 April 2021. Invited as speaker. Supported by Smith & Nephew Company.
8. **Articular Cartilage Preservation Webinar**, Online, 19 November 2020. Invited as speaker. Supported by Smith & Nephew Company.
9. **All Around the World Webinar – Europe RELIVE Surgery Show on Open Latarjet**, Online, 14 November 2020. Invited as speaker. Supported by Smith & Nephew Company.
10. **“All Around the Shoulder” Case based Webinar series, Chapter 3: Solutions to less common problems Webinar**, Online, 17 June 2020. Invited as speaker. Supported by Smith & Nephew Company.
11. **All Around the Shoulder Webinar Series“ Shoulder Arthroscopy Complications & Revisions Webinar”**, Online, 25 May 2020. Invited as speaker. Supported by Smith & Nephew Company.
12. **Instability Technical Deep-Dive Open Latarjet Considerations Webinar**, 20 May 2020. Invited as speaker. Supported by Smith & Nephew Company.
13. **Articular Cartilage Preservation Webinar**, 19 May 2020. Invited as speaker. Supported by Smith & Nephew Company.
14. **“All Around the Shoulder” Case based Webinar series, Chapter 2: Rotator Cuff Repair Webinar**, Online, 18 May 2020. Invited as speaker. Supported by Smith & Nephew Company.
15. **Malaysian Shoulder Expert Web Series on “All about Complex” Webinar**, 11 May 2020. Invited as speaker. Supported by S&N Company.
16. **MEA Sales Force Training Webinar**, Online, 7 May 2020. Invited as speaker. Supported by S&N Company.
17. **“All Around the Shoulder” Case based Webinar series, Chapter 1: Posterior Instability Webinar**, Online, 20 April 2020. Invited as speaker. Supported by S&N Company.
18. **Arthrex Technology Symposium**. Dubai, UAE. 21-24 November 2019. Invited as speaker. Role of the posterolateral complex in knee instability. Supported by Arthrex Company.
19. **Knee and Shoulder Arthroscopy Instructional Course**. Istanbul, 19 - 21 November 2019. Chairman and Faculty. Supported by S&N Company.
20. **Shoulder Arthroscopy Master Instructional Course**. Singapore, 30 October – 1 November 2019. Invited speaker. Supported by S&N Company.
21. **Repair to Reconstruction International Experts Summit**. Istanbul, Turkey. 10-12 October 2019. Supported by S&N Company. Member of the expert faculty.
22. **1st South Asia “All Around the Shoulder Expert Panel”**. Mumbai India. 23-24 August 2019. Member of the expert faculty.
23. **Chairman of Symposium: “All around the shoulder”**. Xi’an. 4 April 2019. Invited as speaker. Supported by S&N Company
24. **Knee Arthroscopy Intermediate Instructional Course**. Dubai, UAE. 27-28 April 2019. Supported by S&N Company
25. **Shoulder Arthroscopy Advanced Course**. Istanbul, Turkey. 8-9 March 2019. Chairman and Faculty. Supported by S&N Company.
26. **Advanced shoulder techniques and technology**. Lecture: Latarjet surgical technique. 31 May 2018. Sydney. Australia. Supported by S&N Company
27. **Soluciones Latam**. Advanced shoulder course. 25 Mars 2018. Mexico. Supported by S&N Company

28. External Examiner to evaluate a thesis for the candidate Dr. Tvisha Ketan Parikh (Ph.D. (RR)/283-P.T./V/2012). "A study on risk factors for anterior knee pain in patients attending a tertiary care hospital in South India". **Sri Ramachandra University, Porur, Chennai March 2017**
29. **Chairman of Symposium: "All around the shoulder". Beijing. 4th March 2017.** Supported by S&N Company
30. **Chairman of Symposium: "All around the shoulder". Beijing. 3th March 2017.** Supported by S&N Company
31. **Chairman of Symposium: "All around the shoulder". Bogota. 12th October 2017.** Supported by S&N Company
32. **Chairman of Symposium: "All around the shoulder". Sao Paulo. 10th October 2017.** Supported by S&N Company
33. **Chairman of Symposium: "All around the shoulder". Singapore. 6th April 2017.** Supported by S&N Company
34. **Chairman of Symposium: "All around the shoulder". Dubai. 4th March 2017.** Supported by S&N Company
35. **Chairman of Symposium: "All around the shoulder". Beirut. 8th October 2016.** Supported by S&N Company.
36. **Chairman of Symposium: "All around the shoulder". Dubai. 28th May 2016.** Supported by S&N Company.
37. MENA: Intermediate Shoulder Arthroscopy Course ACIBADEM University, **Istanbul 19,20 February 2016 Chairman**
38. Associate Professor of the Shoulder and Knee Arthroscopic Program of the Asia-Ircad Taiwan. **October 31th to November 4th 2010. Taiwan**
39. Associate Professor of the Shoulder Arthroscopic Program of the Asia-Ircad Taiwan. **November 16th and 17th 2009. Taiwan**
40. Associate Professor of the Arthroscopic Program of the European Institute of **Tele Surgery. Strasbourg. France. 2001 - 2010**
41. Associate Professor of the teaching program of the **French Arthroscopic Society. 2000 - 2010**
42. Scientific director of the FAST: French Arthroscopic Shoulder Training. **Tours. 2008 - 2010**
43. Director of ICEA Mitek: International Center of Excellence for Arthroscopy. **Knee Surgery Paris. 2007 - 2010**
44. Scientific Director of the annual course of **Rehabilitation SOFCOT. 2006 - 2010**
45. Associate Professor of the National Diploma of Sports Traumatology. **University of La Pitié, Paris. 2005**
46. Scientific Director of the bi-annual Advanced Course on Knee Surgery. **January 2006-2008-2010 Val d'Isère. France**
47. In charge or the national course of **Zimmer knee surgery. 2002-2003-2004**

WEBINAR LECTURES

During these webinars, I performed a minimum of one lecture:

- Sports Medicine Summit 2021, Healthpoint Abu Dhabi. The Athletes degenerative knee. Lecture: Meniscus Transplantation in Athletes degenerative knee. **11 Dec 2021**

- Arthroschool webinar. Personalized anatomy and clinical related issues | Personalized treatment for ACL surgery: How do we plan? **23 Nov 2021**
- 5th International Trauma Congress. Dubai | Management of First-time shoulder dislocation. **18 Feb 2021**
- All around the Shoulder, All around the World” Smith & Nephew Surgery Show | Latarjet procedure re-live surgery. **14 Nov 2020**
- ICJR Middle East 2020 | Anterior meniscus horn tear. **12 Nov 2020**
- Emirates Orthopaedic Society Webinar| Save the Meniscus. **5 June 2020**
- Smith & Nephew meeting| Latarjet procedure. **20 May 2020**
- Smith & Nephew meeting| Cartilage repair. **19 May 2020**
- All Around the Shoulder Smith & Nephew meeting |Cuff repair step-by-step. **18 May 2020**
- Indian Arthroscopy Study Group and Arthroscopy Academy|Rotator Cuff Repair. **14 May 2020**
- All Around the Shoulder Smith & Nephew meeting |Complex Shoulder Pathology. **11 May 2020**
- Smith & Nephew sales meeting| Treating glenoid bone loss. **7th May 2020**
- Indian Arthroscopy Study Group and Arthroscopy Academy|Anterolateral Instability of the Knee – myths and facts. **30 April 2020**
- All Around the Shoulder Smith & Nephew meeting |Posterior Shoulder Instability. Chairman. **20 April 2020**
- Indian Arthroscopic Association Online Education Initiative|BTB Master Class. **13th April 2020**

CERTIFICATIONS

- Certification | Training in the Protection of Human Subject Research. The Collaborative Institutional Training Initiative (CITI). **Record ID: 24744422**
- Certification | Training in the Protection of Human Subject Research. The National Institutes of Health (NIH) Office of Extramural Research. **Certification Number: 917417**
- Certification | ILS Provider course, **17 May 2015, Doha, Qatar.**
- Certification | BLS Provider course, **16 Jan 2020, Dubai, UAE.**

MISCELLANEOUS

- Languages | English and French: Fluent, spoken and written.
 - Special interests | Ski, Sailing, Running, Drawing, Contemporary Art, History.
